

Have you ever longed to ... find a place of real acceptance? • be greeted with a smile and great coffee? • have a positive, permanent, effective and radical Christian presence in the town centre?

Have you ever longed to ... be at the cutting edge of God's plan for our town? • see changes in our community that allows all ages to come together in a safe and welcoming environment?

The bottom line ...

If only 300 people gave £15 a month this dream could become a reality!

At this stage, however, we don't want any money!!

All we would like is for you to register your interest by completing and returning this form to us:

If this venture were to go ahead, I would be interested in giving £..... a month*

*This is only to get an idea of the level of support and does not tie you to giving anything at all. If enough people are interested then we will look into it further!

Imagine our own café, right in the heart of Tunbridge Wells ...

life& soul

Come one come all

Our aim is to create a unique, fashionable, innovative environment that will differentiate the Life & Soul Café from other local coffee houses. We aspire to be a safe, friendly place where people of all ages and from all walks of life can receive a warm welcome, a fantastic cup of Fairtrade coffee and the opportunity to purchase from an extensive range of Fairtrade goods.

More than just a café...

We understand the need to provide a place that is suitable for all. For this reason we intend to offer extended opening hours that by day, enable families to relax while their children are safe, and by night, provide a meeting place for the young, and the young at heart.

We also hope to establish an excellent venue in which to befriend people prior to inviting them into a church building, in the process forging stronger links between God's church and the people of Tunbridge Wells.

Our vision for the future is to expand to accommodate a selection of Christian books, music and resources.

This has been a dream of many people in this town for a long time. With your help we could make this dream a reality!
